Christopher E. Morse
Civil Services, Inc.
2394 St. Johns Bluff Road, South
Jacksonville, Florida 32246

Dear Mr. Morse:

Congratulations! The City of Jacksonville and JEA are pleased to announce that Civil Services, Inc. is certified as a Jacksonville Small Emerging Business. The certification is effective for one year provided there are no changes in ownership, control or operations of the company, and that eligibility requirements are continually met. The annual re-certification affidavit must be submitted before the company's expiration date listed below.

Additionally, Civil Services, Inc. is certified as a Minority Business Enterprise, eligible to participate as an African-American owned business. A list of certified JSEBs and MBEs is available through the Procurement Department at the Website address listed below. The re-certification affidavit, lists of current bids and requests for proposal are also available through the Department of Central Operation's Website.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Matos", written over a horizontal line.
